

**South Boston/Halifax County  
4<sup>th</sup> of July Celebration  
Parade Route / Lineup Instructions / Check-In Information  
Thursday, July 4, 2019  
6:00PM**

**Parade Route:**

The parade route starts at the intersection of Wilborn Ave. and Chalmers St. in front of **Enterprise Rent-A-Car**. The parade continues down Wilborn Ave. to Main Street in Downtown South Boston, turning right onto Seymour Ave. then turning right onto Factory Street.  
\*\*\* There will be **NO STOPPING AND/OR PERFORMING**.

**Lining Up and Check-In:**

You can arrive as early as you like and find your own stake with your name and lineup number, but a parade representative will be staffed at the lineup area starting at 3:00 p.m. to direct you to your lineup position. **Please arrive no later than 5 p.m.** From Wilborn Ave. turn onto Chalmers St. at Enterprise Rent-A-Car. You must stop and “**Check In**” with the parade representative located there. Your lineup number will be posted at your location. If you have an extra long float entry, the earlier you get in the lineup, the easier it will be for you.

**Unloading:**

Please do not stop your entry anywhere on Seymour Drive between Main St. and Factory Street. South Boston Police request that no entry stop at the intersection of Seymour Drive (Constitution Square area) and Factory Street. Entries are to turn right on Factory Street and continue back toward the beginning of the parade at least until you have passed SunTrust. When you have passed SunTrust, you may stop and unload. Stopping on Seymour Drive causes traffic congestion and makes the parade back up.

**Lineup Port-A-Johns:**

For your convenience, port-a-johns will be located in the grassy space near Valero on Chalmers Street.

**Lineup:**

The lineup will be posted online starting Monday, July 1<sup>st</sup> at [www.downtownsobos.com](http://www.downtownsobos.com)
